

ESTONIAN ENDURO WEEKEND

May 1st, 2nd, 3rd

Honda presents

Tartu Extreme Prologue 2015 *VÕRTSJÄRVE ENDURO 2015*

May 1st -EXTREME PROLOGUE (Tartu city centre)

May 2nd-3rd -VÕRTSJÄRVE ENDURO (Väike-Rakke)

PROLOGUE INSTRUCTIONS May 1st

NB! It is not required to take part in the prologue, however it is highly recommended in order to introduce enduro to people and to spend a fascinating afternoon by the extreme enduro track specially built at the very centre of Tartu city.

There are different categories for all kinds of riders and the most difficult obstacles meant for the Pro Class riders are easily passable. At the same time take place the famous Tartu Student Days that guarantee great audience.

PROLOGUE ALLOWS BOTH MOTORCYCLES – ENDURO AND CROSS

Head organizer: MTÜ Võrtsjärve Ekstreem Enduro, riho.kollist@mail.ee

Track-master: Riho Kollist (Lärm) **INFO : 003725014885**

TIME: 01MAY 2015 16.00 PM

PLACE: Tartu city, street Vabaduse pst

CATEGORIES: Pro, Hobby, Beginners, Trial, Senior 40 +

NB! Refuelling is allowed only at Time Checks (TC).

Racing numbers:

Racing numbers according to EMF and Baltic Enduro regulations.

Information about numbers: (toivo.nikopensius@mail.ee)

VIII Awarding:

Three best in each category are awarded with a cup.

Three best in general are awarded with a cup.

Three best club teams are awarded with a cup.

USEFUL INFORMATION

On both days there are RED road signs on the track. Also **KTM** trail is being used on the track ('straight ahead', 'right track') and **HUSABERG** trail (wrong track). The track goes clockwise on both days.

On both days the first lap starts and ends with EXTREME TEST (EX).

The first lap registrates racer's cross test (CT) and the second lap the extreme test (EX). We recommend all racers who have competed previous years to go through the tests, especially the cross test (CT) that is registered on the first go.

As an innovation in year 2015 there will be 4 tests. Additionally also one Enduro test (ET)

Extreme test **(EX)** length 1,3 km (possible to re-route).

Enduro test 1 **(ET1)** length 4,6 km

Cross test **(CT)** length 4,6 km

Enduro test 2 **(ET2)** length 2,6 km

The length of tests may change due to weather conditions.

GPS

Start, Finish, Registration, Parking, Extreme Test (EX), TC3

N 58*19.921' E 026*10.917'
