- BRONZE – 300-799
- TRIAL – 800-999

COMPETITION RULES (in addition to the HARD ENDURO ESTONIAN CHAMPIONSHIP (EVM) AND ESTONIAN CUP (EKV) COMPETITION RULES):

1. On the day of the competition, the motorcycles must be on the starting line in the closed start area at least 30 minutes before the start.
2. The competition takes place on the principle of endurance race as a joint start at least by competition classes. The duration of the competition is at least 2 laps for GOLD class riders and at least 1 lap for others. The competition ends with a finish flag signal on the finish line.
3. The competitor has 5 hours to complete the track.
4. Outside assistance is prohibited for all GOLD class competitors during the whole competition. SILVER / BRONZE / TRIAL class competitors are allowed to use outside assistance, except in the "NO HELP" sections. Competitors themselves may assist fellow competitors with the exception of driving / driving another competitor's car.
5. Track judges may assist all competitors to avoid dangerous situations or major congestion on the track.
6. Competitors are not allowed to use telephone / radio communication during the competition.
7. The whole race course is marked. Extreme sections, assigned to a specific competition class, are marked with signs with the name of the respective class and the junctions are manned with judges.
8. Competitor cannot use sections on the track designed for lower class riders. Competitor is allowed to use sections designed for higher class.
9. Competitors should use only the track. However, if they accidentally leave the track, they may continue by safely re-entering the track, without gaining an advantage, from the closest point to where they left the course.
10. Track cutting is forbidden. The penalty for attempting to gain an advantage by track cutting will be from 30 seconds time penalty to disqualification, at the Jury's discretion.

RACE TRACK:

The race track is on artificial terrain and includes at least two checkpoints.
