11.7. Motocross race on the second day:

Placement of machines in parc ferme	After the completion of the enduro track, service time of 15 minutes is provided (for the first rider ~10:45). After service the machines are placed in parc ferme (can be done earlier than after 15 minutes).
Taking machines from parc ferme	Before the start of the motocross race, riders will be allowed to enter the PF 10 minutes before their starting times for the sole purpose of moving their machines to the exit of the PF. No work of any kind can be carried out on the machine in the PF.
Choosing the starting place and the starting procedure	After taking the machines from PF, riders must complete one introductory lap on the motocross track. After this, the riders according to the instructions of officials will be provided with a choice of the starting place at the starting line according to the results of the first competition day. For Championship classes, there will be a common start with engines running (loud start) from the starting bar. Start is given by lowering the starting bar. For Cup classes, there will be a common start with engines switched off (silent start) from the starting line. Start is given by a shot from a pistol.

12. Competition Track, Security and Environmental Protection

12.1. No spectators are allowed on course during the competition.

12.2. Minimum safety distance in start-finish, time check and special test areas is 1 m.

12.3. It is forbidden to smoke in the paddock, on the track, technical inspection area, parc ferme, start-finish and time check points.

12.4. Spectators and competition participants are personally responsible for their safety.

12.5. During refuelling, oil change, machine repairs or cleaning, a repair mat of adequate size and quality must be used.

12.6. Washing of machines is forbidden, except if the organiser permits this in a designated place.

- 12.7. The use of "tear-off" films on goggles is forbidden.
- 12.8. Riders must obey the traffic regulations in force in each locality crossed during the competition. Any rider convicted of an offence against such regulations may, after enquiry, be excluded.
- 12.9. Maximum allowed machine speed in the paddock is 10 km/h.
- 12.10. Helmet must be worn when riding a machine on the competition site.
- 12.11. Before the competition start and after the finish, riders are only allowed to ride in the paddock.

13. Starting Procedure, Parc Ferme

- 13.1. After registration and technical inspection, riders or mechanics put their machines into parc ferme (PF).
- 13.2. Before the enduro start, riders will be allowed to enter the Parc Ferme 5 minutes before their starting times.
- 13.3. Before the motocross race, machines are placed in PF according to 11.7.
- 13.4. Riders of the Absolute Beginners class do not have to place their machines in PF after the enduro race on the second day.
- 13.5. After the motocross race, machines do not have to be placed in the PF.

14. Outside Assistance, Race Cut

- 14.1. The term "outside assistance" refers to the act involved when any person, other than the rider or an official performing his duties, comes into contact with the machine.
- 14.2. The penalty for receiving prohibited outside assistance is exclusion.
- 14.3. Outside assistance is permitted in order to help a rider to pull the machine out of mud, ditch, marsh or another obstacle on the course, and the rider is not able to do it by himself. Marshals are allowed to provide assistance to riders in tests if the rider is not able to overcome an obstacle or to free the track for other riders.
- 14.4. Outside assistance is allowed at time checks and in other cases described in Enduro Regulations.
- 14.5. Short-cutting the special test track is forbidden. In case a rider leaves the track, he must return to the track as close as possible to the place where he left.

15. Scoring

15.1. Individual and absolute results are determined according to the table below:

Place	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.	11.	12.	13.	14.	15.
Points	20	17	15	13	11	10	9	8	7	6	5	4	3	2	1

15.2. Competition results are determined by the sum of points, consisting of the points obtained during both competition days:

- 15.2.1. The results and points of the first enduro competition day are determined according to 15.1 (places are determined according to the smallest sum of time penalties and special test times). The result of the joined EGP class is determined by using the smallest sum of time penalties and special test times of riders of the E1, E2, E3, E 40+ and E Juniors 16+ classes.

15.2.2. The second competition day is scored as follows:

15.2.2.1. The results and points of the enduro race are determined according to 15.1 (places are determined according to the smallest sum of time penalties and special test times). The result of the joined EGP class is determined by using the smallest sum of time penalties and special test times of riders of the E1, E2, E3, E 40+ and E Juniors 16+ classes.

15.2.2.2. The results and points of the motocross race are determined according to 15.1 and 15.3;

15.2.2.3. Points, obtained according to 15.2.2.1 and 15.2.2.2, are added together to establish the results of the second day (sequence of places). If two riders in a class have equal points, then of higher significance are points obtained in enduro race;

15.2.2.4. Sequence of places, obtained according to 15.2.2.3, determines the points assigned according to 15.1.

15.3. Results of the motocross race are determined according to Cross Country principles:

15.3.1. The result of a rider is determined by the finish time and the number of laps he has completed.

15.3.2. The finish time is the time when a rider has crossed the finish line after the finish flag is raised for a particular class, if the rider has finished within the control time. The finish flag is shown after the time mentioned in clause 2.

15.3.3. The control time is equal to the doubled best lap time of the leading rider in a class.

15.3.4. Race results for the finished riders (i.e. those riders who have a finish time according to 15.3.2) are based upon the order of crossing the finish line.

15.3.5. Places obtain and points score only the riders who have completed at least 50% of the laps by the leading rider in the class. If any of those riders does not finish the race, he takes place and scores points after the riders who have finished, according to the number of completed laps. If two riders have not finished and have equal number of completed laps, the total time of completing those laps is taken into account in determining the result.

15.3.6. Results of the joined EGP class are obtained by using joined results of riders of E1, E2, E3, E 40+ and E Juniors 16+ classes.

15.4. In case of two riders having equal points in the two-day competition round, the winner is determined by results of the second race day.

16. Club Team Championship

16.1. Riders of the following classes participate in Latvian Club Team Championship (LCTC) and Baltic Club Team Championship (BCTC) (riders of Open.LV and Absolute Beginners do not participate):

Class	Number of riders	Coefficient
E1	Not more than 2 riders	1
E2	Not more than 2 riders	1
E3	Not more than 2 riders	1
E 40+	Not more than 2 riders	1
E Juniors 16+	Not more than 2 riders	1
Hobby 2T	not more than 1 rider	0.75
Hobby 4T	not more than 1 rider	0.75

Beginners (C) 2T	not more than 1 rider	0.75
Beginners (C) 4T	not more than 1 rider	0.75
Women (only BCTC)	not more than 1 rider	0.75
Veterans 50+	not more than 1 rider	0.75

- 16.2. In the Regulations, the term "club" means a legal person - FMN member. In BCTC and LCTC, rider's club membership is defined by the annual FMN Enduro license. Participation in BCTC and LCTC is only with annual FMN Enduro licences.
- 16.3. In BCTC and LCTC, a club team consists of 3 to 4 riders from classes mentioned in clause 16.1.
- 16.4. Competition scores of riders in each class are applied with a coefficient as stated in clause 16.1.
- 16.5. Three best out of four possible team rider individual results count towards results of a BCTC and LCTC competition round. Result of a club team is the sum of individual scores of these riders. A rider can contribute to team points only in the class in which he started in his first Enduro BCTC or respectively LCTC competition of the season.
- 16.6. In case two teams in a competition round score equal points the winner is determined by results of the second race day. If the results on the second day are also equal, then – by higher individual places of team members in the enduro race on the second day.

17. Awarding

- 17.1. The organiser will award the top 3 places in each class with cups, medals or other prizes.
- 17.2. The winners of the top 3 places in BCTC (LCTC are not awarded) competition will be awarded with cups, medals or other prizes.
- 17.3. Winners of the EGP class receive monetary prizes: 1st place 150 euro, 2nd place 100 euro, 3rd place 50 euro.
- 17.4. Riders to be awarded must participate in the awarding ceremony. Penalty for not participating in the awarding ceremony is 50 euro that is to be paid by the rider. Penalty is not applied in case the rider has agreed his absence with competition organiser or Chief Marshal and the awarding ceremony is attended by the rider's club representative.

18. Protests

- 18.1. All protests are submitted to the secretariat in written form with a security deposit of 70 euro.
- 18.2. Protests on results must be submitted within 30 minutes after the official announcement of results.
- 18.3. Protests on breach of the competition Regulations or the Enduro Regulations must be submitted within 30 minutes after the finish of respective class, by indicating the violated clause of competition Regulations or Enduro Regulations.
