

WELCOME TO SUPERCROSS TALLINN 2026

Welcome to **SuperCross Tallinn 2026 handbook!**

We're thrilled to have you on board. This handbook will help you understand your role during the event and how everything works behind the scenes. It's your go-to reference for safety procedures, communication, responsibilities, and general organisation.

The **SuperCross Tallinn** is not only a motorsport event — it's an event of music, entertainment, stunts, and creativity. Everyone working here, from riders to volunteers, contributes to the unique spirit that makes the SuperCross Tallinn what it is.

Enjoy the madness, stay alert, and help us keep the event safe, fun, and unforgettable!

THE ORGANISATION

SuperCross Tallinn is organised by **Arenasports**, based in Tallinn, Estonia.

The core team consists of around Chief Organizer and **6 team members** who work passionately to make the event possible. During the event itself, lots of team members and volunteers join forces to bring the event to life.

THE HISTORY OF SUPERCROSS TALLINN

The first ever SuperCross Tallinn event was held 14-15th 2025 at Unibet Arena. Riders from 12 countries competed in the **SX OPEN** class, using lightweight yet powerful 250 cc, 350 cc, 450 cc bikes.

SuperCross Tallinn combines high level **motocross, entertainment and stunts** into 2-days event. The event's charm lies in high quality motocross event with entertainment from toddlers to grandparents, from riders to rockers - everyone are part of an amazing gathering.

Supercross — hugely popular in the USA — is a form of motorsport that brings motocross into stadiums and arenas. It features purpose-built tracks, nonstop action, and an atmosphere packed with adrenaline and excitement! It's the most intense and spectacular form of motocross.

The Sports Director is legendary Estonian motocross rider **Andres Krestinov. Jarno**

Oldenijens, Track Director from Netherlands - together with his team, have built tracks across all Europe, and will help us manage track within tight conditions.

The thrilling race days will be charged with adrenaline thanks to **Stunt Freaks Team** stunt riders, **Cool D** and **RockFM DJs**.

THE PROGRAMME & ORGANISATION TEAM

The **Programme & Organisation team** is responsible for everything related to:

- Competition and track - Andres Krestinov, Jarno Oldenijens
- Show program - Martti Mutli, Indrek Ditmann
- Design and production - Martti Mutli
- Overall atmosphere - Kaido Kadak
- Logistics - Terje Tõnutare
- Information and personnel - Donna Kadak
- Marketing and PR - Indrek Ditmann

Each area has its own subteams and coordinators, but they work closely together to ensure that the **spirit of SuperCross Tallinn** - creative chaos with safety and precision — stays alive throughout the site.

YOUR ROLE AS TEAM MEMBER

As a SuperCross Tallinn team member, you're part of an enormous machine — one that relies on teamwork, timing, and communication.

Your attitude and professionalism directly shape the experience of visitors and the success of the event.

Be visible, approachable, and proactive.

Even when the work gets hectic, remember: **you're part of what makes SuperCross legendary**.

Keep a smile, stay calm, and radiate positivity — that's the spirit of SuperCross Tallinn.

Your enthusiasm and professionalism are vital.

Even when you're off-duty, you represent SuperCross Tallinn.

Be kind, helpful, and respectful to visitors, colleagues, and partners at all times.

LOGISTICS AND ACCOMMODATION

During the event, Chief of Logistic, Terje Tõnutare will organise smooth transportation between hotel and Unibet Arena.

All teams coming from abroad will come directly to Unibet Arena after their arrival on Thursday.

The accommodation partner for SuperCross is Tallink City hotel.

Tallink City, A.Laikmaa 5

Those travelling by plane will be met by a person with a SuperCross logo in the Tallinn Airport. The ferry partner, for those travelling from Finland, is Eckerö Line (A-terminal).

TEAM FACILITIES

The pink line marked on the card is a corridor of team rooms. All rooms are marked with team names (ADMIN, RIDERS, MEDIA, etc). The access to the corridor is directly from Welcome center (A1).

PADDOCK & RIDERS PARKING

Every rider has a separate place with their name card.

Särtsukad have their own area in the paddock.

Pitbike have their own area in the paddock.

Stunt Freaks have their own area in the paddock.

Fueling will be organised by Sports Director, Andres Krestinov.

Fueling will only take place outside.

Igniting bikes is not allowed in the paddock (excluding short time test)

There is a logo wall in the paddock to take pictures with the VIP guests. They will be visiting the paddock on the agreed time.

Parking is arranged behind the building only with parking cards.

The organizer takes no responsibility for vehicles parked outside the gate.

TEAM CATERING

Team catering will be held in 2 separate places: Unibet Sports Bar Tallinn, Vana-Viru 13 and Unibet Arena.

If your pass and wristband includes catering, the food tokens will be included in your envelope from the WELCOME CENTER. If your pass doesn't include catering, you will be able to purchase catering at Unibet Arena.

1. Team catering **12.11 16:00-18:00** - **Unibet Sports Bar, Vana-Viru 13**, Tallinn - **BUFFET**
2. Team Catering **13.11 15:00-20:30** - it will be at **Unibet Arena**, near backstage - **TOKEN or CASH**
3. Team Catering **14.11 13:30-20:00** - it will be at **Unibet Arena**, near backstage - **TOKEN or CASH**
4. **AFTERPARTY - 14.11 22:00 Unibet Sports Bar, Vana-Viru 13, Tallinn** - wristband and event pass (STAFF, ALL ACCESS, RIDER, VIP, GUEST, TEAM) guarantees the entrance and free snacks and drinks, no token needed

Unibet Sports Bar Tallinn, Vana-Viru 13 - entrance from Vana-Viru street

FIRST AID

If someone needs **first aid**, notify your supervisor immediately.

For minor issues (cuts, dizziness, etc.) go to the **First Aid Point** on site or contact the local medical team on site.

If the person cannot be moved safely, **call for help via radio (walkie-talkie)**.

If you don't have a radio, find a colleague who can report via radio.

Always describe:

1. What happened
 2. The person's condition
 3. The exact location (using signs or grid references if possible)
-

RADIO COMMUNICATION (WALKIE-TALKIES)

Internal communication between departments at SuperCross Tallinn is handled via two-way radio.

Only those who need one for their duties will receive a radio.

Use it **only for work-related messages** – never for personal chat.

The radio network is coordinated by the **Chief Organizer, Kaido Kadak**.

Basic Operating Rules

1. **Listen before talking.** Never interrupt an ongoing conversation.
2. **Press and hold** the push-to-talk button until you hear the short confirmation tone.
3. **Speak clearly and briefly**, then wait a second before releasing the button so your last words aren't cut off.
4. Begin each call with **2 name of whom you're calling**, and **1 time your name**.
Example: If Indrek is calling Kaido, it will be: "Kaido, Kaido - Indrek"
5. Keep transmissions short; if you need a long conversation, arrange to meet in person.
6. Avoid background noise – step away from loudspeakers or engines when speaking.
7. Always check the batteries are full and the radio is turned on. The charging point is backstage, in the ADMIN room.

If you can't reach someone after two attempts, ask the team to relay your message or locate the person.

REPORTING INCONVENIENCES

When something goes wrong that your own team can't solve, inform your supervisor to report it. They will contact the right department to fix the issue.

SAFETY PROCEDURES

Unsafe Situations or Emergencies

If you notice anything unsafe or an emergency occurs:

- Contact **Safety** immediately by radio or phone.
- Describe the problem and give your location.
- Stay nearby until help arrives, unless it's unsafe to do so.

Safety will alert the relevant services (Security, First Aid, Fire Brigade, Technical Team) and keep you informed.

If You Witness an Incident

1. Keep yourself safe first.
 2. Call Safety or press the emergency button.
 3. State your name, what you see, and your location (use signage or grid coordinates).
 4. Describe the assistance required.
 5. Remain reachable for follow-up communication.
-

Do NOT

- Rush into danger or attempt rescue without calling for help.
 - Make statements to visitors or the media.
 - Speculate on causes or blame.
-

Accidents

If a serious accident happens, **radio silence** is imposed on all channels until Safety gives clearance.

All communication with the press is handled only through the **Chief Marketing & PR Director** or **Management team**.

Team members may not speak to journalists about incidents.

Programme Delays / Changes

If the programme is delayed or altered for any reason (weather, technical issue, safety), report it at once to the **Producer, Martti Mutli**.

The producer will alert affected departments – Security, Technical Services, etc. – so schedules can adjust.

Also inform your **contact person** (usually **Kaido Kadak, Martti Mutli, Indrek Dittmann** or **Donna Kadak**).

Damage or Vandalism

If you see damage or vandalism anywhere on site:

- Report it to your direct supervisor.
- Security will send the **Technical Department** to repair it.

- You'll receive confirmation when the repair team is on its way.

SHOWSTOP PROCEDURE

A **Showstop** may be declared if a situation prevents the event from continuing safely.
Possible reasons:

- Major accident or medical emergency
- Large-scale technical failure

Procedure:

1. **Management** announces *STOP* to all departments.
 2. The following public announcement is made:
“Ladies and gentlemen, this is an announcement from the organisation.
Due to a technical issue, we must temporarily suspend the show.
Please remain calm; we will update you shortly.”
 3. Management decides when it is safe to resume.
 4. If evacuation is required, the message changes to:
“Ladies and gentlemen, unfortunately, we must evacuate this area for safety reasons.
Please leave calmly and follow staff instructions.
Emergency exits are clearly marked.”
-

MAIN COORDINATION (CROSS PROGRAMME)

The **Lead Coordinator for SuperCross** is **Kaido Kadak**, who is responsible for all operational and programme-related decisions concerning the cross track.

He acts on behalf of the organisation in all situations requiring direction — for example:

- When there are problems with the track
- Programme delays or unexpected changes
- Any problem affecting show continuity or safety

In the week leading up to SuperCross Tallinn, Kaido is supported by **Donna Kadak**, who serves as the first contact point for questions and logistical matters.
If Donna cannot resolve an issue, he will escalate it to Kaido.

During the event, if Kaido is unavailable, **Donna Kadak**, **Indrek Dittmann** and **Martti Mutli** represent him and handle operational decisions within the cross area.

Contact details are found in the Organisation Overview.

INFO GROUPS - UNIBET SPORTS BAR GIRLS, RIDERS

WhatsApp Groups & Communication

To ensure smooth and continuous event communication, two dedicated WhatsApp groups will be created:

1. **RIDERS**
2. **UNIBET SPORTS BAR GIRLS**

Please follow this communication order:

1. First, check the Handbook for the answer
2. Then, search in the relevant WhatsApp group
3. If the question still remains unanswered, feel free to post it directly to the Whatsapp Group - your colleagues might have the same question

This process helps us provide consistent and fast information for everyone.
Let's keep the communication clear and effective.

If you are not able to access the relevant Whatsapp group, contact Chief of Information, Donna Kadak.

FEEDBACK

After the event, all team members are asked to complete a short **feedback form**.
Please submit it within **two weeks after the event**.

Your feedback is vital. We'd like to know:

- How you experienced your work
- Whether the organisation and communication were clear
- What went well and what could improve
- How the atmosphere and visitor interaction felt
- Whether the décor and signage held up throughout the event
- Any comments or ideas for next year

Honest, constructive feedback helps make each new event better.
